

G50

Mobile Generator

Prime power mobile generator, 38 kW/47.6 kVA, Kohler engine, ideal for wherever reliable, quiet power is needed

The G50 offers the perfect power solution where single and three phase power are needed for construction commercial, industrial and special event applications. The sound-attenuated generator provides quiet operation and large fuel tank offers long run times, making it a flexible and reliable choice. Low cost of ownership and longer uptime due to service efficiency, better fuel economy and longer service intervals.

Highlights

- Programmable Controller
- Kohler KDI Engine
- G50 Long run time
- Powerful and Precise Alternator

Technical Data

■ Mechanical Details

Operating Weight (with Trailer)	3,090.9 lb
---------------------------------	------------

■ Generator

Output current 1~	224.0 A
Output current 3~	57.0 A
Generator Rating 1~ (Continuous)	27.0 kVA
Generator Rating 3~ (Continuous)	47.0 kVA
Voltage 1~	240.0 V

Voltage 3~	480.0 V
------------	---------

■ Electrical System

Available voltages 3~	600.0 V
Available voltages 1~	139.0 V

■ Operating Fluids

Utilizable tank capacity	88.0 gal US
--------------------------	-------------

■ Shipping and Storage

Shipping weight with Trailer	2,508.9 lb
------------------------------	------------
