

BOB10

Batteries of the BOB series

High-performance for operating battery-powered devices.

The BOB-series' lithium-ion batteries have been specially developed for the operation of battery-powered, electrical construction equipment. They are particularly robust and powerful, and are therefore suited to demanding application on the construction site.

Highlights

- BatteryOne battery system
- Long running time with one battery charge
- Wide range of applications
- Systainer transport box
- Sturdy and durable
- BatteryOne app
