

1601

Wheel Dumper

Three types of skips, even more versatility

The 1601 is a true multi-functional machine with its price-performance ratio and impressive three possible skip versions. It manages confined spaces effortlessly. Leg protection, the fold-down roll over protection system, and optionally available rotating beacon, reverse alarm and outside rear-view mirrors minimize risk factors for accidents and maximize the safety of the operator. The efficient hydrostatic drive system ensures intuitive and simple operation.
