

GP5500A

Portable Generators of the GP series

Versatile and dependable portable power

Designed for construction, rental and other demanding applications, these quiet, high-performance, portable generators deliver unmatched tool starting and voltage regulation in a rugged compact package. Excellent for powering single or multiple tools on an entire job site or as emergency or standby power. Ideal for powering high starting amperage tools such as compressors, grinders, fusion welders as well as electric power tools.

Highlights

- Powered by Honda
- Top Quality Alternator
- Efficient Voltage Regulation

Technical Data

■ Mechanical Details

Length	20.6 "
Width	27.5 "
Height	24.1 "
Dry Weight	126.1 lb

■ Generator

Continuous Output	5,000.0 W
-------------------	-----------

■ Engine

Fuel	Gasoline
Oil filling max.	0.3 gal US

Power rating max.	9.4 hp
Engine Manufacturer	Honda
Engine Designation	GX390

■ Electrical System

Circuit Breaker Amperage AC	21.0 A
Number of Sockets	6.0

■ Operating Fluids

Fuel consumption (Prime load)	0.9 GPH US
Run Time (Prime Load)	8.5 hrs
Fuel Tank capacity	7.9 gal US
