BFS1350 Floor Saw

**5 years /
5,000 hours
warranty**

The best performance in cutting asphalt and concrete

The BFS1350 petrol floor saw is more than anything characterised by its first-class cutting performance. The BFS1350 is up to 20% faster than comparable brands. The BFS series offers the highest cutting speed with a quiet operation. This is due to the efficient cooperation of the torque transferred through the diamond blade and the centre of gravity lying directly above the material to be cut. All done with the least amount of weight, since the BFS series offers the lightest devices in its class.

Highlights

- High cutting speed
- High tensile strength frame, ball-bearing wheels in combination with a wide wheel base and short axle
- Low weight makes the machine easy to use both when cutting and transporting

Technical Information

	Units	BFS1350
Mechanical - Output Details		
Cutting depth max.	mm	200
Operating speed cutting wheel	1/min	2,200
Mechanical Details		
Length direction wheel raised	mm	890
Width	mm	575
Height	mm	1,010
Weight	kg	94
Cutting wheel diameter min.	mm	350
Cutting wheel diameter max.	mm	500
Engine		
Effective power	KW	8.7
Nominal Engine speed	1/min	3,600
Operating Fluids		
Water tank capacity	l	32

The construction equipment warranty terms and policy (Terms) covers all Wacker Neuson products sold by and in the Wacker Neuson Pty Ltd region of Australia and New Zealand. Product Registration is required to activate extended warranty period on eligible machines. Machines not registered within 30 days of purchase will have the Statutory 1 Year/1,000 hours warranty period.

The images, equipment and data shown may differ from the range of products currently available in your country.

Optional equipment may be shown under certain circumstances subject to a surcharge in the price. The right to make any changes is reserved.
