

ST37

Compact Track Loader

Powerful and Productive

The ST37 offers the performance more in line with a large frame loader but in a more compact, nimble package. Standard features include switchable EH joystick controls, 2-speed travel with auto shift, color display, and battery disconnect which provide comfort and performance to the operator. The lift capacity of 3,700 lbs gives the user the flexibility to work in a variety of jobs with ease using one machine to get the job done.
