

BH55 28x160

Gasoline breaker

The entry-level model for demolition

The BH55 petrol demolition hammer is the entry-level model among the demolition hammers. Lighter and smaller than the other demolition hammers in the Wacker Neuson series, it is designed for professional use and impresses with its compact size and easy handling.

Highlights

- High single stroke impact energy at a low weight
- Hood spring mounting
- Powerful, sturdy percussion system
- Stable, well-balanced handle
